## Kids and Family Fun Band

Serving the Triangle area and beyond!

**Sandbox** is a Raleigh/Durham/Chapel Hill band specializing in upbeat, twangy traditional children's music (like "Old MacDonald" and "Bingo") and catchy, original songs from our second record, *Are We There Yet?* (Summer 2008).

We are known for our exceptionally fun, interactive performances and a vocal prowess that is rarely found in children's groups. Our primary audience is the younger crowd, but our music appeals to folks of all ages. Our approach is to play familiar classics that everyone knows and loves, mixed with fun original material. From there we encourage kids (and adults!) to dance, move, shake and sing.

**Sandbox** has decades of band experience under our collective belts. Frank and Ed (guitars) both led local bands for years. Jeff (bass) was a founding member of a pop group in Oregon, and Chris (drums) was a top member of the Florida State marching band. Pat (mandolin and dobro) has played in country and zydeco bands locally and in his home state of Louisiana.

Audiences are consistently surprised at how entertaining **Sandbox** performances can be for every age-group. With all members contributing vocally, we bring pleasant harmonies and unique approaches to timeless children's classics as well as our own songs. Because most of the band members have children, we are pros at getting kids involved with our act – and because we are huge music fans ourselves, we keep the pace and presentation entertaining for adults as well.

**Sandbox** is sure to liven up your festival, block party, or community event. *So book a show, grab a shaker, and get ready to have some fun!*

### What People Say About Sandbox:

*"What a joy it was to work with you as part of the Earth Day at the NCMA Festival. Your set was wonderful, appreciated by both young and old."*

- Gweneth Hastings, Organizer, North Carolina Museum of Art Earth Day Festival

*"You guys were awesome. Professional and easy to work with! Some kid's entertainment can be a little obnoxious for the grown-ups, but you guys were fun for everyone!"*

- Michelle Morgan, Co-Chair, Wake Forest Autumn Arts Festival

*"Sandbox's performance is an upbeat, interactive show. Families enjoyed singing along with their children and even learning a few new songs."*

- Wes Tilghman, Coordinator, Chapel Hill's Festifall

*"Sandbox brings super fun, high energy entertainment to any family event. They are great to work with and offer a unique and appealing option for festivals, parties, etc. There's something very special about live, interactive music, especially for children."*
